**Hybrid Workshop (On site and Online) - European Open SDI Day (Friday 26 August 2022, 14:00 – 16:30),
Hotel International, Zagreb, Croatia.**

The 'The European Open SDI Day' is the final event ERASMUS+ project **SPIDER** - Open Spatial Data Infrastructure Education Network (<https://sdispider.eu>). The online event will present the entire SPIDER program output including the Open SDI curriculum toolkit, new learning and teaching methodologies, the SPIDER platform, the MOOC, the overview of existing SDI curricula and open SDI literature in the Open SDI repository. At the same time, this will be the final session of SPIDER Open SDI Summer School in Zagreb and a platform for the participants to present their group work. During the workshop, participants will have the opportunity to explore, test, and discuss the developed tools.

Agenda:
